

Gnomie

Please contact the person listed at the end of the ad for more information on this kitty. Please do not contact Maine Coon Adoptions.

My name is Gnomie, as in "to gnomie [know me] is to love me" -- get it? And it's true!!! I am a gentle Maine Coon mix with long gray-and-tawny hair, four white paws and golden-green eyes. When I was younger I was a street kitty but have spent the last few years with a loving owner in a fabulous home where I was affectionate -- yet independent. Unfortunately, I now need a new home and would do best in a home that has a safe indoor-outdoor environment for me. I promise to wait at the door to greet you when you get home and shower you with affection and comfort you for the rest of my days. I'm nine years old but that's just middle-aged for us kitties so there are plenty of days left for me to give you that love and affection. I am okay with other cats and dogs but not particularly good with noisy environments or very young children. I weigh 10 pounds, have been neutered, have had my shots and am a strong and healthy -
- not to mention smart, playful and loyal -- boy. I am in San Jose.
