Woo hoo! Hellooooo!!! We are the kittens of Manteca. Kind of sounds like a great book or movie, huh? Like *The Man of La Mancha*, it's *The Kittens of Manteca*. Except that we're not fictional characters, we are real kittens in need of homes. We're in the Manteca Animal Shelter, which is very crowded so we need to find homes as soon as possible. There are four of us on this ad, but there are even more kittens here, so if you're looking for a kitten, get yourself down to the Manteca Animal Shelter or give them a call or an e-mail to let them know. We're all litterbox trained. Here's more info on the four of us:

Claire and **Felix** are very friendly, playful 10-week-olds ready for a new home.

Annie is a gorgeous, 9-month-old, long-hair Flamepoint Siamese who needs a loving home soon! She is very friendly and loves attention.

Colin is an adorable kitten who needs a rescue group to come get him. At 7 weeks, he is too young to be adopted, so if you are a rescue group with room for little Colin, please contact Manteca Animal Shelter. He is very friendly.

Thanks for reading, and we hope to see you soon!
