Hi everybody! We're the Lathrop Lovelies! That means we're from Lathrop and, well, we're LOVELY. I mean, look at us! Thing is, we're stuck in the animal shelter, which is not a great place for a lovely to be, and we hope that you can help us find new homes. We are all spayed/neutered and oh-so-ready for a permanent home where we can show our love and playfulness and all the other great things that come with having a kitty in the house.

Pig Pen is a long-hair, gray tabby baby boy (cute as a button!). **Zilla** is a baby girl with medium-length, gray-and-white fur. **Lil Pip** is a little pipsqueak of a domestic short hair baby girl. **Magic** is a young domestic short hair with gorgeous, silky black fur. **Monte** is a young male with short hair and great buff/orange coloring. **Blackie** has, well, black fur, but with beautiful highlights. He's an adult male, so you won't have to deal with any kitten stuff. Interested? You can call or email to find out more information on our personalities. Anyway, call or write soon! We're running out of time and need help getting out of here. Thank you!
