Help - I need a new family urgently! My name is Tike. Kind of like Mike but with a 'T' as in TERRIFIC! I'm a beautiful white cat with black markings who appears to have some Turkish Van in me. In case you didn't know, Turkish Vans are known to be very intelligent and I'm no exception. And not just intelligent (or "bright" as some prefer) but sensitive and perceptive. It's kind of like I'm a great person in a cat's body. I just turned five and am in great health -- but I did once get a little over-excited chasing a feathered toy on a string so would do best in a home without children that would over-excite me. That's why I need a new home: my family has children on the way so it's best for me to find a new home. Otherwise, I'm just a great catch. I'm social, affectionate and happy to sit in our lap and soak up the attention -- or maybe just take a nap. I weigh 12 pounds and have been neutered, microchipped tested negative and am up to date on all my shots. I'm in San Jose.
